REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. §1.323

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building, Mail Stop Post Issue
401 Dulany Street
Alexandria, VA 22314

Sir:

Certificate
SEP 29 2006
of Correction

In checking over the printed copy of the above-identified patent, we have found the following errors that are not the fault of the Patent and Trademark Office. It is respectfully requested that these errors be corrected in accordance with 37 CFR §1.323. The errors to be corrected are listed below.

Claim 1, line 3 (column 14, line 2), the term "metallic" should be deleted because there is no antecedent basis in lines 1-2 of the claim for "metallic." Additionally, the term "metallic substrate" does not appear anywhere in the application. It should also be noted that the Examiner did not use the term "metallic substrate" in the reasons for

In re of U.S. Patent 6,808,803

allowance. The addition of this word was clearly due to a clerical error as it is totally anomalous.

Claim 12, line 1 (column 16, line 15), the term "composition" should be deleted and replaced with "multilayered structure" because this claim is dependent on claim 11, which is directed to a multilayered structure. This is a correction of an obvious error.

When the changes are considered, it will be clear that the errors are of a clerical error in nature and/or of minor character, which occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute "new matter" or would require re-examination.

Applicant noticed these errors after payment of the issue fee, but before issuance of this application. An amendment under 37 CFR 1.312 was filed on September 21, 2004, but it was never considered. Thus, these amendments are being sought as a certificate of correction.

Attached please find PTO Form 2038 authorizing payment in the amount of \$100.00 to cover the appropriate fee for corrections under 37 CFR §1.323. If insufficient fees are specifically authorized, please charge same to Deposit Account No. 02-4035.

We are also attaching one copy of the Certificate of Correction form.
